

FEB 17 1947

MEMORANDUM FOR THE ASSISTANT DIRECTOR, OPERATIONS:

Subject: Screening at the Hoover Library.

1. A shipment of documents obtained by the Hoover Library in China has recently been released in CIG custody to the Hoover Library on the understanding that the material will be screened by CIG to obtain any intelligence material of interest to the War and Navy Departments.

2. The material is believed to contain Russian information and consists of eight cases.

3. It is requested that you arrange for a competent expert in Chinese to proceed at the very earliest opportunity to the Hoover Research Library, Palo Alto, California, to screen the material in question, and arrange to forward copies or photostats of pertinent intelligence material to Washington.

4. This matter has been discussed by ICAPS (Mr. William M. Adams) with Mr. George Carey [redacted], and it is understood that [redacted] may be made available on temporary duty status from the Documents Branch for this purpose.
